Von Charity Parkerson : The Sexy The Undead (Sexy Witches Book 1) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Sexy The Undead (Sexy Witches Book 1) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Sexy, Unique, and ExcitingVon Warrior Princess"The Sexy The Undead" by Charity Parkerson is a light-hearted, witty romance novel. The setting is imaginary, but the characters feel very real, despite (or because of?) the fact that they are

witches, zombies and angels. They are well-drawn, interesting, memorable, and unique. The seemingly unlikely but fun, steamy, and very real romance is between Ella and Samuel, a witch and an angel. That's exciting enough for most readers, right? But not exciting enough by Charity Parkerson's standards, so she adds Freddie in the mix. He's a secondary but important character. Freddie is Ella's pet zombie, and there's a problem with a curse that needs to be lifted before the story moves forward, or at least before the story moves forward in a way that would satisfy Ella. And she is not easy to satisfy. What I enjoyed most about this book is the intersection and interweaving of the two stories: romance between Ella and Samuel, and Freddie's curse story. And, of course, the humor is always a great addition to a story. Here are a couple of my favorite lines: "The light is for guidance and transcendence. But the dark is for protection and passion." "I say we go fix up your room and make it all fit for your deliciousness again." "I am pouring my heart out to you while you call me names and throw things at my head." A fun story! Much more than just a romance novel.
