Von Michael Prescott : The Shadow Hunter before purchasing it in order to gage whether or not it would be worth my time, and all praised The Shadow Hunter:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich.
Kurzweiliges VergngenVon LarsEin kurzes und schnell wegzulesenedes Buch. Netter, kleiner Spannungsbogen
allerdings kein tiefgreifendes Mitfiebern mit den Charakteren. Trotzdem, gute Solide Abendlektre2 von 2 Kunden

Prescott about a year ago, I could hardly wait for his newest--and it was worth the wait! Throughout the book, I got

closer and closer to gutsy Abby Sinclair as she attempted to "redeem herself" as a stalker-hunter and protector of victims. I am always amazed at Prescott's ability not only to tell a chilling and exciting tale, but to make his characters really and truly come alive for the reader. This book is no exception: Abby Sinclair is now a friend of mine. I wish I may, I wish I might have another opportunity to read about her. A sequel or another novel with Sinclair as its heroine would be so welcomed by this faithful Prescott reader. He ranks right up there with the best of the mystery genre-- watch out Ridley Pearson and the rest of you guys!³ von 3 Kunden fanden die folgende Rezension hilfreich. foreseeable story, nothing special Von Johannes Whleri read this book within a couple of hours because at first i found it easy written, with no depth, and after reading 40% i could pretty much see where it was going and it left no surprises. i would not recommend it.

Kurzbeschreibung Abby Sinclair deals in risk assessment but its lives, not fortunes, that are at stake. The Los Angeles investigator goes undercover to figure out whether a clients stalker is simply an overzealous fan or a dangerous psychopath. Shes learned the hard way that the difference isnt always apparent until its too late. In Raymond Hickles case, however, Abby has no doubts. The awkward loners fixation with gorgeous news anchor Kris Barwood has progressed from creepy to murderous. So Abby befriends Hickle, trying to gauge when and how hell strike. Yet her target is as wily as he is unhinged, and Abby has unwittingly made herself a madmans latest obsession. With her reputation and life on the line, Abby races to save Kris before Hickle eliminates them both. New York Times best-selling author Michael Prescott takes readers on an adrenaline-pumping thrill ride packed with ingenious twists and gut-churning suspense.
