**Von Katharine Kerr : The Shadow Isle (Dragon Mage)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Shadow Isle (Dragon Mage):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Band 14 steigert die Spannung...Von Customer... und man kann den 15ten Teil, der im November 2009 erscheinen wird kaum noch erwarten.Diese Fantasyreihe steht kurz vor ihrem Finale und dem entgeltigen Abschluss, nachdem die Autorin seit 1986 daran arbeitet.Eine sehr lohnenswerte Reihe, wenn man dazu bereit ist, von vorne zu beginnen.Ich selbst habe

die ersten 11 Teile auf Deutsch gelesen, kann aber nur jedem empfehlen, sich an der englischen Version zu versuchen. Die deutsche Übersetzung ist zwar richtig und gut zu verstehen, reicht an das Original (wie so oft) leider nicht heran. 0 von 0 Kunden fanden die folgende Rezension hilfreich. goodVon shane burrowesGood and fast delivery Thank you it arrived on time and in good condition, the price was right and the book was good

**Kurzbeschreibung**The penultimate novel in Katharine Kerr's highly acclaimed epic fantasy series, the interweaving tale of human and elvish history of several hundred years, and many reincarnated lives comes full circle.As the tale of Deverry and her people draws near to its close, questions will be answered and mysteries uncoveredThe wild Northlands hold many secrets, among them the mysterious dweomer island of Haen Marn, the mountain settlements of Dwarvholt, and the fortified city of Cerr Cawnen, built long ago by escaping bondmen from Deverry itself. And just who or what are the mysterious Dwgi folk?Thanks to the Horsekin, who continue to push their religious crusade south toward the borders of the kingdom, the human beings of Deverry and their elven allies realize that the fate of the Northlands lies tangled with their own. Although the dwarven race holds strong, the island of Haen Marn has fled and Cerr Cawnen seems doomed. Only the magic of Dallandra and Valandario and the might of the powerful dragons, Arzosah and Rori, can reveal the secrets and save the Northlands from conquest.From Publishers WeeklyWith only one installment left in Kerr's popular Deverry cycle, this 14th novel set in her fantasy realm of Annwn sets the stage for a climactic finale that fans have been anticipating since 1986's Daggertspell. The collective future of the humans, elves, dwarves, dragons and other fantastical inhabitants of Deverry is in jeopardy. Savage Horsekin tribes escalate their bloody assaults on Northlands settlements in the name of their goddess, Alshandra. As apprentice wizard Neb struggles to come to grips with his past life as the powerful sorcerer Nevyn, the magical island of Haen Marn suddenly reappears from nowhere, and few can agree whether this bodes well or ill. With multiple simultaneous plot lines, many of them dealing with relationships in past incarnations, pacing and continuity wallow, and the ending is merely an arrangement of chess pieces for the complex endgame of the final volume (tentatively titled The Silver Mage). (May) Copyright Reed Business Information, a division of Reed Elsevier Inc. All rights reserved.PressestimmenKatharine Kerr is both a good writer and a thorough Celtic scholar. Indeed, her work is beginning to invite comparisons with Katherine Kurtz's massive Deryni saga.a a"Chicago Sun-Times" aMuch as I dislike comparing anything to "The Lord of the Rings," I have to admit that on this occasion it is justified.a a"Interzone"
