Von Marcia Muller : The Shape of Dread (A Sharon McCone Mystery Book 9) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Shape of Dread (A Sharon McCone Mystery Book 9) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Abundance of description shadows interesting storylineVon Ein KundeMarcia Muller, the author of THE SHAPE OF DREAD, obviously put a lot of time into this book. Her commitment is apparent in two ways. 1. There is a lot of believable and factual information about prisons, murder investigations, comedy clubs, mental conditions, etc. Muller seems to have done a good amount of research on these topics because there is not doubt in the readers' mind that she is completely factual about everything surrounding the plot. 2. Muller seems to be not only committed to her excellent story line about a murdered comedian, but also committed to her thesaurus. At times, articulate adjectives and adverbs that were irrelevant to the plot overshadowed the excellent story line. As the reader, I felt that I didn't need to know that the building the main character walked into was khaki stucco surrounded by small palm trees in perfect rows. The reader would much rather know what the investigator was thinking, for example- Would Ms. McCone find Tracy Kostakos dead or alive? In conclusion, I believe that this book is a good read, only if you enjoy TONS of detail. Otherwise, chose a mystery novel that gives you the facts to attempt to solve the case yourself, not to decide whether

the room has been interior decorated to your taste.

Kurzbeschreibung Bobby Foster, car-hop at the chic Cafe Comedie, is going to the gas chamber. He's already confessed to the murder of Tracy Kostakos, the club's rising star. But two years after the crime, Tracy's body is still missing and Bobby's confession is full of holes. All Souls Legal Cooperative's final appeal sends San Francisco's #1 P.I. Sharon McCone behind the footlights into the super-charged arena of anxious club owners and aspiring young hopefuls...into the fractured world of Tracy's privileged family and the mind of a young comedienne who was not the good little girl they thought they knew...into a labyrinth of death and deception where someone will kill to laugh last and get away with murder.
