KurzbeschreibungMarriage to a sexy stranger was not on Rebecca Beaumont's mind, but a series of events leads to her, a twenty four year old virgin, marrying a handsome Arabian prince. Tariq had always known his marriage would be arranged, but he expected his wife to be hand-selected from amongst Assanian nobility. When he learns his father has betrothed him to a foreigner with no knowledge of royal life, he is incensed. He is honour bound to go through with the marriage, but he does not expect to be so attracted to his bride. Their marriage should have been simple, like a business deal, but the overwhelming sexual tension threatens to tear the newlyweds apart. Tariq doesn't like his wife, and he sure as hell doesn't trust her, but he desires her to the point of a dark and dangerous obsession.KurzbeschreibungMarriage to a sexy stranger was not on Rebecca Beaumont's mind, but a series of events leads to her, a twenty four year old virgin, marrying a handsome Arabian prince.
