**Von Kasey Michaels : The Sheikh's Secret Son (Mills Boon MB)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Sheikh's Secret Son (Mills Boon MB):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. A good bookVon Ein KundeI usually don't care for books with sheikhs in them. This book was different. I really felt for Eden as she tried to reconcile that the father of her son was a ruler of a kingdom. Her life as she knew it was changed for

ever. I liked that Ben finally understood at the end that Eden needed time to make the decision to join him. Once the pressure was off Eden was able to decide that the best thing for her and Sawyer was to join Ben and leave Texas.

KurzbeschreibungFive years ago, international business lawyer Eden Fortune lost her heart during a whirlwind romance in Paris. She hadn't pegged oil tycoon Ben Ramir as a love 'em and leave 'em kind of guy. Some women might have fallen apart, but Fortune women are made of sterner stuff. So Eden went back to Texas and gave birth to a son, doing her best to put memories of the baby's father behind her. But then Ben came back into her life, and Eden discovered his little secret: he rules a kingdom across the globe. And now that he's discovered her secret their son she fears Ben's only interest is in claiming his child. As tempers and temptation give way to heated words and hot embraces, Eden must make a choice that could break her heart all over again or bring a second chance at happiness.
