The Shoemaker's Wife is replete with the all the page-turning adventure, sumptuous detail, and heart-stopping romance that has made Adriana Trigiani, one of the reigning queens of womens fiction (USA Today). Fans of Trigianis sweeping family dramas like Big Stone Gap and Lucia, Lucia will love her latest masterpiece, a book Kathryn Stockett, author of The Help, calls totally new and completely wonderful: a rich, sweeping epic which tells the story of the women and men who built America dream by dream. Pressestimmen Within the pages of this novel, Trigianis 10th, is a gloriously romantic yet sensible world that seamlessly blends practicality and beauty built around the staggering cultural and social changes the war years swept in. Trigianis very best exquisite writing and a story enriched by the power of abiding love. (Richmond Times-Dispatch) The novel is a sweeping epic, but at its heart, its a love story. It speaks to an era of possibilities. (Providence Journal) Trigianis page-turning newest is a sweeping saga More than an epic romance, Trigianis work pays homage to the tribulations of the immigrant experience, and the love that makes the journey and hardships worthwhile. (Publishers Weekly) This expansive epic, which seems tailor-made for a miniseries, manages to feel both old-fashioned and thoroughly contemporary [an] irresistible love story. (Booklist) Trigianis gift for using vivid details to create a strong sense of place and her warm affection for her characters will make this a satisfying read for her many fans. (Library Journal) an old-fashioned, romantic tale of two star-tangled lovers...but also a paean to artisanal work, food, friendship and family Trigiani is a master of palpable and visual detail.
