**Von Matthew FitzSimmons : The Short Drop (The Gibson Vaughn Series Book 1) (English Edition)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Short Drop (The Gibson Vaughn Series Book 1) (English Edition):

Produktbeschreibung The bestseller with over half a million readers that People magazine called a live-wire debut. A decade ago, fourteen-year-old Suzanne Lombard, the daughter of Benjamin Lombard then a senator, now a powerful vice president running for the presidency disappeared in the most sensational missing-person case in the nations history. Still unsolved, the mystery remains a national obsession. For legendary hacker and marine Gibson Vaughn, the case is personal. Suzanne Lombard had been like a sister to him. On the tenth anniversary of her disappearance, the former head of Benjamin Lombards security asks for Gibsons help in a covert investigation of the case, with new evidence in hand. Haunted by tragic memories, he jumps at the chance to uncover what happened all those years ago. Using his military and technical prowess, he soon discovers multiple conspiracies surrounding the Lombard family and he encounters powerful, ruthless political players who will do anything to silence him and his team. With new information surfacing that could threaten Lombards bid for the presidency, Gibson must stay one step ahead as he navigates a dangerous web to get to the truth.
