Von J.L. Fynn : The Short Game (American Gypsy Novella) (English Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Short Game (American Gypsy Novella) (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen

Kurzbeschreibung Jimmy Boy Reilly should be out on the road like the rest of his Irish-American Gypsy clan, but instead hes stuck at home. His little brother Shay is up north pulling a long con, something Jimmy never wanted him involved in, and now all he can do is worry and wait. But Shay isnt the only thing on his mind this summer. He cant seem to shake the image of the cute store clerk they swindled a few weeks back, and its really starting to get to him. When he decides to return the money in an effort to get her out of his mind, that small act of redemption soon turns into a date, and maybe something more. Jimmy Boy never had any intention of falling for the country girl, cute or not, but theres no way he could resist the beautiful, sassy blonde. Now its not just the fate of his little brother hes worried about, but his own too. Hiding the relationship from his clan is hard enough, but keeping the fact that hes an Irish Traveler from Tracy is even harder--and might cost him more in the end. Set concurrently to J.L. Fynns debut novel The Long Game, The Short Game is a novella exploring whats happening back at the Traveler Village while Shay is up north. While it could be considered a companion novel to The Long Game, it's a stand-alone story that can be enjoyed even without having read The Long Game
