Von Bella Bryce : The Shortlist (Waldorf Manor Book 2) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Shortlist (Waldorf Manor Book 2) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Waldorf Manor Book 2Von Sebastian F.This is the second part of the Waldorf Manor Series by Bella Bryce. It is completely possible to read this stand-alone and enjoy it, but I'd recommend you start with book one ("The Solicitation") - you'll want to read all the others after that anyway, including this one. Yes, they're that good.This one has a slightly different focus than the first book in the series. Of course, it's still about ageplay and discipline (and oh, does it do that well!),

but now it's Bennett Fowler who learns what it really means to take care of a young lady in need of care and guidance. It's actually a lovely twist on the relationship developing between Alice and Brayden in the first novel (and deepening in this one), and it will keep you entertained right to the end - and from there, on into the next book.

Kurzbeschreibung Bennett Fowler follows up on his best friend, Brayden James' shortlist, to find his own charge to look after. Completely against his beliefs and expectations, Bennett discovers feelings for his new charge will complicate their arrangement. How does a man with strong convictions plan to handle that?
