Kurzbeschreibung A chilling mystery from the Queen of Nordic Noir, not to be missed for fans of Jo Nesbo and Stieg Larsson. WINNER OF THE 2015 PETRONA AWARD 'Mummy dead.' The child's pure treble was uncomfortably clear. It was the last thing Brynjar - and doubtless the others - wanted to hear at that moment. 'Daddy dead.' It got worse. 'Adda dead. Bygga dead.' The child sighed and clutched her grandmother's leg. 'All dead.' A luxury yacht arrives in Reykjavik harbour with nobody on board. What has happened to the crew, and to the family who were on board when it left Lisbon? Thora Gudmundsdottir is hired by the young father's parents to investigate, and is soon drawn deeper into the mystery. What should she make of the rumours saying that the vessel was cursed, especially given that when she boards the yacht she thinks she sees one of the missing twins? Where is Karitas, the glamorous young wife of the yacht's former owner? And whose is the body that has washed up further along the shore? Pressestimmen Nordic mystery writers can raise goosebumps as few others can, and Sigurdardottir shows she's one of the best. "Booklist (starred) on I Remember You" Sigurdardottir has written an excellent and seriously scary mystery with tangible and supernatural elements that will appeal to fans of John Ajvide Lindqvist. "Library Journal (starred) on I Remember You" I can see why so many people are enthusiastic about Yrsa's work. It's very engaging, fresh and exciting. "James Patterson" "Someone to Watch Over Me" seductively weaves together two seemingly disparate stories. "Cleveland Plain Dealer (Grade: A)" Drives to a shattering climax that honors the traditions of both detective fiction and ghost stories. "Kirkus s on I Remember You" "I Remember You" ranks among the scariest, right up there with the best of Stephen King and Peter Straub. It's that good. And that scary. And, ultimately, that moving. "EarlyWord on I Remember You" "A tour de force capped by a haunting final scene that will linger in your mind long after the cumbersome explanation of how the trick was worked." "Kirkus "(starred) on "Silence of the Sea" Nordic mystery writers can raise goosebumps as few others can, and Sigurdardottir shows she's one of the best.
