Von Angela Elwell Hunt : The Silver Sword (Heirs of Cahira O'Connor) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Silver Sword (Heirs of Cahira O'Connor):

KurzbeschreibungThe auburned-haired O'Connor women share a bond far deeper than their striking physical

appearance: These courageous, high-spirited women all push against societal limits in this exciting historical, romantic novel that spans generations and countries. It is said that as Cahira, daughter of the great Irish king Rory O'Connor, lay dying of a wound from a Norman blade, she beseeched God that others would follow her calling. To Kathleen O'Connor, Cahira's story was nothing more than a fable--until research divulged that the tale was true. As a stunned Kathleen realizes that she herself bears the mark of Cahira, she wonders if she is destined to continue the legacy. To uncover the answers, Kathleen delves into the past to find the truth about the Heirs of Cahira O'Connor. It is a journey that carries her across generations, from the battlefields of 13th-century Ireland to the castles of 15th-century Prague, and through a past filled with peril, courage, vengeance, love, and sacrifice beyond anything she has ever known. From the Trade Paperback edition.
