Kurzbeschreibung Sometimes the past just won't stay buried. DC Gary Goodhew is on a pub crawl when he smells smoke. He rushes to the scene and finds a raging house fire, too far gone to stop. The blaze leaves two corpses, but a young boy who was also inside is now missing. As the investigation deepens, it becomes clear that the boy's mother, Kimberley, knows much more than she is letting on. With the clock ticking on a child's life, Goodhew begins to sift through the ruins of Kimberley's past and uncovers an unsettling picture of deceit, murder, and accelerating danger. Fans of Deborah Crombie and Elizabeth George will relish this gripping page-turner. Pressestimmen Bruce's detailed, almost documentary prose style demonstrates her commitment to credible storytelling. * reviewingtheevidence.com * Alison Bruce has created an unusual and interesting main character * The Times * Werbetext The unmissable follow up to the brilliantly reviewed Cambridge Blue.
