KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. jede Charakteristik sitztVon AlgorithmenfreundDie Autorin hlt uns schrecklichste Ereignisse nicht fern. Liebgewonnene Handelnde, mit denen man bangt, kommen in den Hnden der Nazis um. Jede Figur, noch die kleinste Nebenfigur, ist lebendig beschrieben und wird plastisch. Ich wrde sagen, ein Jugendbuch auch fr Erwachsene. Was die Nazis der Welt

angetan haben, darf nie vergessen werden.0 von 0 Kunden fanden die folgende Rezension hilfreich. Very enjoyableVon Tressa Bischoff found the plot and the characters interesting and suspenseful. It was interesting to read how so many people were willing to help others during the war but also that some were cruel enough to spy on their own people, handing that information over to the Germans in order to obtain favours themselves.0 von 0 Kunden fanden die folgende Rezension hilfreich. tolles BuchVon Yankeegebe dem Buch volle Punkte. Ich war von Anfang an gefesselt und habe es regelrecht verschlungen. Die Charakteren einfach hervorragend !!!Es ist mein 2. Buch von der Schriftstellerin und immer wieder sehr zu empfehlen.

KurzbeschreibungA gripping story of love, death and danger in Nazi-occupied France from the bestselling author of The Throwaway Children. When Adelaide Anson-Gravetty finds out her father is not the man who raised her, she is both shocked and intrigued. Determined to find out more about her new family, she travels to the convent of Our Lady of Mercy in France to meet her aunt, the Reverend Mother. But when France falls to the German army, Adelaide and the nuns are soon in the thick of a war that threatens both their beliefs and their lives. Collaborating with the Resistance, sheltering Jewish orphans, defying the rulings of Vichy France: these are dangerous activities in dangerous times. These courageous women must give all they've got in order to protect the innocent from the evil menace of the Nazi war machine. Pressestimmen'Women's historical fiction heaven' The Bookbag. 'Historical fiction heaven ... Diney is excellent at pacing and introducing historical factors. Anyone who feels that women's hist fict is a simplified genre sub-set would definitely need a rethink after this' The Bookbag, Top Ten Women's Fiction Books of 2016. 'A vivid insight into the work of the French Resistance under the German occupation' Betty Rowlands. 'A compelling tale beautifully written' George Baker. 'A treat from the very first page. I could not put it down!' Jane Hill, Historical Novel Society.KurzbeschreibungA gripping story of love, death and danger in Nazi-occupied France from the bestselling author of The Throwaway Children.
