Von Alexandra Connor : The Sixpenny Winner (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Sixpenny Winner (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Very InterestingVon DeannaBI found this book a page turner. Very interesting to see how the author manages to put all the family`s views into perspective, and how hatred can turn peoples ideas. Good to read how Ada manages the prolem in

the end.0 von 0 Kunden fanden die folgende Rezension hilfreich. Einfach toll!Von Ein KundeAlso, ich hab noch nie ein englisches Buch gelesen, dass spannender ist, als das, ich konnte gar nicht mehr aufhören zu lesen! Alexandra Connor ist eine tolle Autorin und ihre Bücher sind einfach zu verstehen!0 von 0 Kunden fanden die folgende Rezension hilfreich. The Sixpenny WinnerVon Marie LningThis book is definitely a winner. A book that keeps you engrossed, right up until the last page. What a great author.

KurzbeschreibungAda Gantry was born in the Portswood slums to a beloved father crippled at work and saw her embittered mother constantly humiliating him with her sharp tongue. Ada falls in love with Clem Hargreaves, a young man also from the slums whom her mother strongly disapproves of, and fate plays a cruel hand when a tragic accident occurs. But worse is yet to follow and when Adas mother is found dead, she is left with guilt and remorse. Adas strength and determination pulls her through and together with her husband, they work hard to achieve their ambition of owning their own pub. The Sixpenny Winner soon becomes successful despite the depression and Ada and Clem Hargreaves find love and fulfilment with their two daughters. However when two brothers join them to help with the heavy work, Ada goes against her instinct and soon realises that her family is being torn apart and discovers evil and revenge of a kind she has not encountered before where all their lives are never the same again. Dramatic, heartbreaking and heart-warming, betrayals and full of passion, The Sixpenny Winner is the best yet from Alexandra Connor.

Synopsis Saga set in Lancashire, following the fortunes of the family who run The Sixpenny Winner pub Beware of dark, handsome strangers...Ada Hargreaves is a tough woman, which is just as well -- she's needed to be. Born in a Stockport slum, she and her husband have worked hard to raise their own family in better conditions. When they take over The Sixpenny Winner, a thriving pub, the dream comes true. For a while. As World War Two is looming, a stranger comes to the door. He's the brother of Doug the barman, but Ada senses the newcomer is no replacement for his reliable brother. Yet labour is hard to find, and for once she doesn't heed her instincts. It's a fatal mistake, for Ada, for her daughters, and for the family that seeks refuge with them, but it certainly gives Stockport a scandal that will last for years. Dramatic, witty, heartbreaking and heartwarming, THE SIXPENNY WINNER is the best yet from this author who is steadily increasing in popularity with every new novel.
