Spannend, differenziert, emotional!Von CK StuttgartAusserordentlich spannend, manchmal grausam, aber auch emotional. DC Wolfe ist eine differenziert dargestellte Charakterfigur, mitsamt dem Team. Auch London und Umgebung sind gut charakterisiert.1 von 1 Kunden fanden die folgende Rezension hilfreich. Ein bisschen mehr

Handlung wre schn gewesen Von Jessev Die grundstzliche Handlung ist nicht schlecht und er schreibt flott, auch wenn man etwas zu frh ahnt, worauf es hinausluft. Was an dem Buch allerdings nervt, ist die Familiengeschichte. Stndig reitet er darauf rum, dass er ja soooo ein engagierter Vater ist und sein Kind soooo liebt (auch wenn er so gut wie nie da ist!) und seine Tochter ist natrlich die unkomplizierteste, sste etc Person auf Erden. Ich denke, er htte sich entscheiden sollen zwischen Krimi oder Familiengeschichte.

Kurzbeschreibung "This is brilliant stuff!" Peter James A murdered family. A dying serial killer. A missing child. DC Max Wolfe hunts a pitiless killer through the streets of London. By the Sunday Times number one bestselling author of The Murder Bag. On New Years Day, a wealthy family is found slaughtered inside their exclusive gated community in north London, their youngest child stolen away. The murder weapon a gun for stunning cattle before they are butchered leads Detective Max Wolfe to a dusty corner of Scotland Yards Black Museum devoted to a killer who thirty years ago was known as the Slaughter Man. But the Slaughter Man has done his time, and is now old and dying. Can he really be back in the game? And was the murder of a happy family a mindless killing spree, a grotesque homage by a copycat killer or a contract hit designed to frame a dying man? All Max knows is that he needs to find the missing child and stop the killer before he destroys another innocent family or finds his way to his own front door. Even the happiest of families have black, twisted secrets that someone is ready to kill for. Pressestimmen "Told with striking clarity and insight, this novel confirms Parsons has earned a place at the very pinnacle of British crime writing" (Geoffrey Wansell, Daily Mail) "The second entertaining instalment in the Max Wolfe series... the colourful plot races through the pages and spreads its tentacles into the dark reaches of abuse" (Times) "This blood thumping, heart pumping thriller confirms Tony Parsons has become one of our best crime writers.
