Von Kate Aaron : The Slave (Free Men Book 1) (English Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Slave (Free Men Book 1) (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 2 von 2 Kunden fanden die folgende Rezension hilfreich. Perfect start to a series! Von From Top to Bottom Reviews Kate Aaron, without a doubt, has outdone herself! The Slave is a captivating story about a slave named Tam. A slave who has had his world turned upside down and inside out and yet finds hope and love in the life he's been given. I fell in love with this character from the beginning. As Kai and Master

enter the story, the ensemble grew not just in numbers but in fabulous substance. Each bringing so much to this already fascinating story. The Slave (Book One of Free Men) starts off this series with a bar leveled so high you are eager to see where Kate will take the rest of this tale. If there's one series you should fall into IT'S THIS ONE! It will blow your mind, have your heart pounding, and every fiber of your being vibrating. I loved every second of this story! 3 von 5 Kunden fanden die folgende Rezension hilfreich. when I'm able to lay a book away at 70% Von E.T. The plot was intriguing. Pleasure slave Tam is in love with his Master who treats him kindly but indifferently. When Kim, an enemy soldier, is added to the household, the story should have blown off. The idea was perfect, but sorry, it was only the pencil sketch. The feelings were reported, like: he felt his heart sinking. Not like: His breath caught in his chest while he felt his heart crumbling. I read more exciting school essays. If this book was meant to intrigue me to buy the following two, it was a failure.

Kurzbeschreibung Freedom is only an illusion. At twenty-seven, Tamelik has been a slave more than half his life. Submissive by nature, he can't help but fall in love with the master who treats him kindly. When the mistress walks out, Tam dares to hope his love will be enough. Then he's ordered to purchase another slave. He wants to hate Kai for being unruly and ungrateful. For being of the same race as the men who murdered his family. For being his eventual replacement in their master's bed. But it's hard to hate a man who cries himself to sleep, flinches at the slightest touch, and blushes beautifully when he's kissed. 64,000 words. THE FREE MEN SERIES: THE SLAVE THE SOLDIER THE MASTER
