Von Raymond L. Weil : The Slaver Wars: Galactic Conflict (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Slaver Wars: Galactic Conflict (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. I was dissatisfiedVon starbooksIHToo much repeating storylines, no real surprises. Remember, the battle for New Tellus in the last book left me breathless, wow being the only word left to describe it. And now this uninspired plot. I really

hope he does come back to previous form when writing the next book. And that cover was really bad. Sorry. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Super Von GLYN ROSS F WALKER Excellent book a real page turner. The whole series is great. Highly recommended. Keep writing Raymond can't wait until your next book in this series. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Absolutely stunning! Von Dr. Federschmidt, Clemens The whole series is fantastic! This is one of the best space operas ever written. I also recommend the other books of this great author.

Kurzbeschreibung Over 200,000 copies of the Slaver Wars Series have been sold. Fleet Admiral Streth has left Rear Admiral Jeremy Strong the difficult task of holding the system of Careth until he can return with a relief fleet. Jeremy is facing impossible odds as the Hocklyns and AIs gather a massive force to crush his fleet and the defenses he has put in place around the bears home planet. Cut off from the Federation, Jeremy and his people have no idea whether the Federation still exists or if the Hocklyns and the AIs have destroyed it. In the Federation, Admiral Streth is being forced to play a game of politics to get a relief fleet approved. His biggest fear is that he won't arrive back at Careth in time to save Admiral Strong. He knows that time is running out and he might be forced to take some desperate measures. Kurzbeschreibung Over 200,000 copies of the Slaver Wars Series have been sold.
