Eine spannende Geschichte mit faszinierendem LokalkoloritVon Miriam MalerFr Liebhaber von Krimis, die im Norden Englands spielen und die Atmosphre dort gut einfangen, sind die Romane von Ann Cleeves ideal; sie sind spannend geschrieben und von einer Kennerin der Menschen und ihrer Lebensweise bestens dargestellt. Auch diese Geschichte

Kurzbeschreibung *The Sleeping and the Dead* is a tense psychological crime thriller from CWA Gold Dagger award-winning writer, Ann Cleeves. Detective Peter Porteous is called to Cranwell Lake where the body of a teenager has been discovered. After trawling through the missing persons files, he deduces that the corpse is Michael Grey, an enigmatic and secretive young man who was reported missing by his foster parents in 1972. For country prison officer Hannah Morton it is the shock of her life. Michael had been her boyfriend, and she had been with him the night he disappeared. The news report that a body has been found brings back dreaded and long buried memories from her past . . . 'Cleeves again excels in her sense of place in this cleverly plotted psychological thriller' *The Times* 'A suspenseful crime story that puts Ms Cleeves in the Rendell class' *Peterborough Evening Telegraph* **Pressestimmen** A drought has caused the level of Cranwell Lake to drop. Drop further than it ever has since 1972. At the end of a row of staites near the beach, a body floats just beneath the surface. For Hannah Morton it is a return to her teenage years. For detectives Porteous and Stout it is the start of a trawl through the missing persons files in search of an identity - only to discover that Michael Gray is not who he seemed... After a slow start the plot gradually gains pace, switching between Hannah's memories, the police investigation and a fresh murder case. Ann Cleeves leaves the reader guessing till the end - a surprise finish unhinted at during the preceding pages. A good, solid English detective novel with the added bonus of Cleeve's finely drawn, often troubled, main players. - Lucy Watson **Werbetext** A vivid psychological suspense novel - a novel that puts Ann Cleeves in a class with Ruth Rendell.
