the characters were really believable, and I really sympathised with the heroine. One of her best!

Kurzbeschreibung Infamous playboy announces engagement! At eighteen, Olivia Johnson had a brief, passionate affair with the infamous, rich socialite Dominic FitzCharles. Madly in love, she'd never forgotten him - even though it seemed he had forgotten her . Now twenty-eight and a successful businesswoman, Olivia had no time for love affairs. When she met Dominic again at a society wedding, she vowed she'd stay in control. But Dominic had other ideas. He announced their engagement to the press - and in front of London's elite; just how was Olivia supposed to say no? They're gorgeous, they're glamorous and they're getting married!
