Von Thaddeus J. : The Sol of Jupiter (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Sol of Jupiter (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich.

Captivating and satisfying read!Von doromeOkay, it took me awhile to get into the story, the omniscient narrator and especially the alternating first-person thoughts confused me a bit in the beginning, but it was sooo worth it!I enjoyed the military setting, with all the details it was very credible. All characters are well rounded and seem very real. Mike and Soze with all their flaws are very likeable.In the second half the plot really thickens and I had trouble putting the

book down. In enjoyed this book very much and I only wish it had been a bit longer in the end. All in all it was a satisfying and captivating story.

Kurzbeschreibung2nd Edition Turner Michaels is an idealistic junior enlisted communicator who wants nothing more than to successfully execute his duties. After being transferred to a light armored reconnaissance unit in the middle of the Mojave Desert, the young Marine starts to feel a bit overwhelmed and out of place from his usual role of support until he is reunited with his old friend Jace Sozio. Jace is impulsive, headstrong, and loyal to a fault, but carrying a chip on his shoulder and keeping others at a distance is easier than being true to himself. Reconnecting with his closest friend from basic training might be simple, but the intense yet awkward attraction growing between them complicates both their personal and professional lives. Can devotion and honor be stronger than bigotry and misperception? The Corps has always been a sacred brotherhood where men and women trust each other with their livesbut Turner and Jace will have to find a different way to fit the General Issue mold. First Edition published by Thaddeus J., June 2013
