Reading this book was great fun!Von Ein KundeObwohl es sich um das erste Buch dieser Art handelte, welches ich gelesen habe (vor allem auf Englisch), muss ich sagen:"Spannung, Gefhl und Entsetzen" von der ersten Minute an. Der Trojanische Krieg, jeweils aus der Sichtweise einer anderen teilnehmenden Person erzählt, spiegelt die grausame

Bandbreite dessen wieder, wozu Menschen flüchtig waren und sind. Gleichzeitig schafft es Colleen McCullough immer wieder auch faszinierende Liebesgeschichten in dieses Epos einzubinden. Ein wirklich empfehlenswertes Werk und nicht schwer zu lesen, auch für "Englisch-Muffel" - die Unterteilung in einzelne Kapitel mit jeweiligem thematischen Schwerpunkt dient dem leichteren Verständnis. Ich war begeistert und fühlte mich zurückversetzt in das Griechenland dieser Zeit...Zu meiner Person: Ich bin 20 Jahre alt, weiblich, Ausbildung mit Matura - verfüge also über keine besonderen Englisch-Kenntnisse. 2 von 2 Kunden fanden die folgende Rezension hilfreich. Fascination interpretation of the Iliad Von Stephan Wiesner Colleen presents a very interesting and thrilling interpretation of the Iliad. The real book is quite hard to read, at least the first time. This version, however, really got me. It contains all the 'facts' but in a chronological order (this alone helps a lot :-)) and added with interesting ideas like the discussion about economic reasons for the attack on Troy (with Helena just a pretext). I suppose that one needs to know Homer's version to really appreciate all points... 0 von 0 Kunden fanden die folgende Rezension hilfreich. Highly Recommended Von Sean Dale A fascinating read and typical of McCullough in the detail and depth each main character is given. The story itself is of course brilliant and rendered here in a very readable and accessible style. This book has inspired me to read more on the subject and has given me a hunger to learn more of what was written by those ancient sources. I thoroughly recommend this book to anyone who has a little patience for the detail and slow build up.

Kurzbeschreibung It was a clash of arms that would echo through the millennia: a hard-fought conflict born of love, pride, greed and revenge; a decade-long siege of the ancient world's greatest city from which nobody will escape unscathed. As urgent and passionate as if told for the first time, international bestseller Colleen McCullough breathes life into legend, swinging our sympathies from Greece to Troy and back again as they move inexorably towards a fate not even the gods themselves can avert. Here are Greek princess Helen, sensuous and self-indulgent, who deserts a dull husband for the sake of the equally self-indulgent Trojan prince Paris; the haunted warrior Achilles; the heroically noble Hector; the subtle and brilliant Odysseus; Priam, King of Troy, doomed to make the wrong decisions for the right reasons; and Agamemnon, King of Kings, who consents to the unspeakable to launch his thousand ships, incurring the terrifying wrath of his wife, Clytemnestra.
