Azerick adventures continuesVon KlopAzerick adventures continues, however for me the best were first 3 books of series.Azerick as guardian become for me more ignorant. I am not sure if you can really ignore your own son and wife (if you are so deeply in love to her) just in name of saving of living beings. For such scarify you need some reason and general good intention will not be enough in my eyes.0 von 0 Kunden fanden die folgende Rezension hilfreich. Bewertung der SerieVon Oswald vom BergSehr gute, nachvollziehbare Entwicklung der Charaktere, nicht einfach schwarz und wei, gut und bse, und eine Flle vieler wirklich origineller Ideen. Keep up the good work..

KurzbeschreibungAzerick has come back from the abyss in order to try to unite all the races against the return of the old gods who seek to destroy them and enslave the few that survive the brutal purging. However, fighting ancient gods may be the least of his troubles as he battles to unite a fractured kingdom, save a brilliant son traveling a dark path, and hold together the splintered soul of his own humanity.KurzbeschreibungAzerick has come back from the abyss in order to try to unite all the races against the return of the old gods who seek to destroy them and enslave the few that survive the brutal purging.
