Von Marie Corelli : The Sorrows of Satan (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Sorrows of Satan (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen3 von 3 Kunden fanden die folgende Rezension hilfreich. A masterpiece!Von Ein KundeThat the Devil himself could have sorrows of his own is a concept that many poets and writers have expressed,but none of them can surpass Marie Corelli's attempt.The book describes the life of one Geoffery Tempest,a struggling writer who half unknowingly lets the Devil take charge of his affairs.He becomes a millionaire overnight,then publishes his book,gets married to a beautiful lady and still does not find any solace.The book describes the devil's plight in moving detail ,and you really feel sorry for the Fallen Angel ,who loves the Lord much more than petty humans.A must-read for discerning lovers of good writing.1 von 2 Kunden fanden die folgende

Rezension hilfreich. interesting and thought-provoking Von Jerry P
Only halfway through the book as I am I still feel that I have to share my thoughts and general opinions of it. The criticism of modern society (as it was in 1986) is to apparent to miss, it being expressed in every second sentence. Corelli's despise for a society where money rules the world is personified in the Devil and his strive for finding a man not too fallen in his craving for money and economical status. This he need to achieve for attaining his return to his righteous place in heaven. Now his eyes fall upon a certain authour, resently living in poverty, now risen above most men in his wealth. How this piece of brilliance end I don't yet know, this due to the only thing that lowers my grading of it...its apt to make hard reading, which slow down my otherwise fast reading-speed. It leaves me wishing for more fluent a language. All-told its worth the time it takes to read...and slightly more...

Kurzbeschreibung Marie Corelli was a 19th century British novelist best known for her Victorian titles and Christian themes. In her day, she was more widely read than popular contemporaries like Rudyard Kipling and Arthur Conan Doyle. Kurzbeschreibung Marie Corelli was a 19th century British novelist best known for her Victorian titles and Christian themes. In her day, she was more widely read than popular contemporaries like Rudyard Kipling and Arthur Conan Doyle. Synopsis The Sorrows of Satan (1895) was one of the first modern bestsellers and was influential in establishing some of the major trends in twentieth-century bestselling fiction. 'Breakers ahead! Throughout the world, storm and danger and doom! Doom and Death! - but afterwards - Life!' London, 1895, and the Devil is on the loose. He is searching for someone morally strong enough to resist temptation, but there seem little chance he will succeed. Britain is all but totally corrupt. The aristocracy is financially and spiritually bankrupt; church leaders no longer believe in God; Victorian idealism has been banished from literature and life; and sexual morality is being undermined by the pernicious doctrines of the 'New Woman'. Everything and everyone is up for sale, and it takes a special kind of moral courage to resist the Devil's seductions.
