Von Johann Wolfgang Von Goethe : The Sorrows of Young Werther (Xist Classics) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Sorrows of Young Werther (Xist Classics):

KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich. Wonderful translation and a wonderful storyVon Ein KundeI am certain that Goethe should be read in German to fully appreciate his work. Catherine Hutter to me is the best translation of 3 translations I have read. Werther is a most wonderful book full of introspection and reflections of life. Napoleon read it 40 times! and was his chosen book to take when he visited Egypt. Thomas Mann read it over 10 times and I have read it five times already. After reading

Werther, the reader must read Goethe's Reflections on Werther (in the same book) to really understand the reason why he wrote this book. This is one of my favorites. Do not forget the Divan, Faust and mostly his biography by Emil Ludwig . . . his poetry is the best! 1 von 1 Kunden fanden die folgende Rezension hilfreich. Applause for the greatest/most profound work of modern lit. Von Ein Kunde Werther is *arguably* the greatest literary work of the modern world. Johann Wolfgang von Goethe--world-renowned German classicist and author of Faust, Wilhelm Meister's Apprenticeship, and many more--has created a BEAUTIFULY worded story which displays his unique views on love, death, etc. As German author Thomas Mann said, "...The nerve-shattering sensitivity of this little book [TSOYW] provoked a storm of applause which broke all bounds and fairly intoxicated the world..." Though the genius of Goethe is praised throughout the world, he is rarely taught in the United States because his work--which is, even at it's driest, poetic--translates poorly into English. Do not miss the opportunity to read this. If I were to be locked away forever with just one book, I would choose The Sorrows of Young Werther. 0 von 4 Kunden fanden die folgende Rezension hilfreich. Oh my gosh. Von Ein Kunde This book is absolutely BORING!! I can't believe almost everyone (or is it just everyone?) rated this book as 5 full stars! First, I don't get it, second, Werther is somewhat psychotic, and third, this book has no plot. Therefore, no climax, which is the most important part of a book.

Kurzbeschreibung A tale about love and despair. "I treat my heart like a sick child and gratify its every fancy." An autobiographical tragic novel that follows the unhappiness of Werther after he falls desperately in love with Charlotte Buff , a young woman who is married to another., This book has been professionally formatted for e-readers and contains a bonus book club leadership guide and discussion questions. We hope you'll share this book with your friends, neighbors and colleagues and can't wait to hear what you have to say about it.
