Von Diane Whiteside : The Southern Devil before purchasing it in order to gage whether or not it would be worth my time, and all praised The Southern Devil:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. gute FortsetzungVon BhermausNette Geschichte, gut und flssig geschrieben, spannend bis zum Schluss. Auch der Sex

kommt nicht zu kurz. Ein Buch zum Wiederlesen.

Kurzbeschreibung Even a perfect gentleman has a little devil in him. Once an orphaned, starving, Confederate war veteran, Morgan Evans is now a wealthy man respected for his business acumen and his Southern manners. The perfect catch for any woman, only Jessamyn Tyler Evans holds his constant attention--ever since she derailed one of his spy missions by holding him hostage in her bed for days. But once Jessamyn spurned Morgan for his cousin, Morgan vowed that someday he would get his revenge. Now Jessamyn has returned, and payback has begun. . . Jessamyn is on the hunt for a legendary family treasure in the hills of Colorado. To get what she wants, the spirited widow needs a husband, and Morgan Evans is only too happy to join her masquerade. . .for a price: she must submit to him, body and soul, surrendering herself to whatever he demands. It's a devil's bargain to be sure. . . Praise For The Novels Of Diane Whiteside "Very hot. . .Once you start you won't want to stop reading." --Romantic Times "So steamy that it fogs one's reading glasses. . ." --Booklist on The Irish Devil From Booklist Jessamyn Tyler, an impoverished Civil War widow, is in Kansas City for the reading of her uncle's will, which first of all dictates that a man must accompany her to the reading. She runs into Morgan Evans, who is on his own angry mission, and reluctantly asks him to attend. He agrees, as long as she agrees to go to bed with him. The inheritance is gold hidden in the Colorado mountains, with the spoils going to either Jessamyn or her cousin, depending on who reaches it first. Again she must rely on Morgan to help her on this dangerous quest. He again agrees, contingent on her continued presence in his bed, and Jessamyn more than meets Morgan's demands in bed and out. Another Whiteside winner, filled with raw sex and realistic portrayals of the sights and sounds of the Colorado West. Newcomers may be a bit shocked, but fans will find it a satisfying tale.
