Kurzbeschreibung Fans of Marian Keyes and Jojo Moyes will love *The Space Between Us*, a heart-breaking story of friendship from award-nominated author, Anna McPartlin. From babyhood Eve and Lily were best friends. But one huge fight and 17 years later Eve wakes up from a horrific accident to find her old friend nursing her. At first, their reunion is tentative but during Eve's many months in hospital they confront both the lies of the past and their present failures. And each clearly sees how the other needs to change her life: Lily must get out of an impossible marriage and Eve has to face up to the pain she has caused others. The crisis that brought Eve and Lily together again seems like a blessing that has given them a second chance to be there for each other when they most need someone to lean on. Little do they suspect that their friendship is under a threat that will change the future forever ...'Anna McPartlin can make you feel despair and sadness but she can also make you see the light at the end of the tunnel. It's quite an impressive feat. If you haven't already tried Anna McPartlin then you are definitely missing out. She is one of the finest writers around and *The Space Between Us* is one of the best tales of friendship'
