**Von Catherine Friend : The Spanish Pearl (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Spanish Pearl (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Historic fiction feminism 101 merge into a wonderful, witty bookVon PhilologusSomehow this book got buried in my reading pile (historic fiction usually is not my forte, esp. if it concerns the middle ages) so I have to make up the timelag with a glowing review! This book is delightful to read and written by a mature, accomplished writer. By accident a modern

American woman is thrown into the times of El Cid and the Moors in Spain and has to show them feminism 101. Whoever has read Catherine's Hit by A Farm knows her humor and it lightens up at least some of the medieval gloom generated by people who rarely bathed, often fought, lived with any number of uncouth customs and were religious nuts. Here is the blurb sadly missing on .de: When Kate Vincent and her partner travel to Spain, Kate is accidentally transported back in time...way back in time...to 1085. What does a woman like Kate do in a world of no antibiotics, no feminism, no Diet Coke? She denies it as long as possible, then sets her mind to getting home. Tricky with her now useless twenty-first century skills. Things don't go well. Kate is captured by a band of mercenary soldiers and becomes an unwitting pawn in the violent conflict between the Catholic kings and the Islamic Moors. In her struggle to stay alive and return to the future, Kate must flee exotic harems, filthy dungeons, and treacherous Moorish courts. But when a sword-brandishing woman with an astonishing secret sweeps into Kate's life, Kate is suddenly torn between two women, and between two centuries. The Spanish Pearl is an epic adventure spiced with humor, lust, and danger'a story with surprising twists that will capture your imagination just as Kate's dilemma captures your heart. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Nice read Von thorstochter It is a novelle about timetravel and lesbians and spanish moor history! Great plot! I bought the sequel (not as good, but if you read the first, you want to know how it goes on...) Macht Spa, kurzweilig. Netter Zeitvertreib. Da ich keine Muttersprachlerin bin, kann ich ber die Qualitt des Englisch nix sagen. Aber solange mir ein Buch Spa mach und ich es schnell durchlese, ist mir das egal. I had fun reading it. As I'm no native speaker, I can't say much about the quality of the writing. But as long as I enjoy a book, it doesn't matter to me. 0 von 0 Kunden fanden die folgende Rezension hilfreich. well-researched historical romance Von Sandra This is a well-researched historical romance with rich details. The author managed not to bog down the story by providing clumps of information, and she made good use of the first-person point of view.
