Von Alison Tyler : The Spanking House: and other stories (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Spanking House: and other stories (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Fun, varied, sexyVon W R RosenThe stories are like good espresso with grappa: short, strong, sweet, and they pack a

punch. Definitely a collection to reread time and again!

Kurzbeschreibung I am perched here, on the edge of a wooden chair, fingers flying over the keyboard as I try to wrap my mind around the perfect scenario. Maybe its not a place, but a sense. The mood wherever, whenever. I have been spanked in so many different locations. In the backseat of a shiny black limo and over the end of a classic cherry-colored convertible. Ive been punished while bent over a motorcycle. Smacked with a wooden ruler while duct-taped to a desk. But over-the-knee is my favorite position, my favorite place to be. This is why I've just completed my second collection of spanking-themed erotica. The stories in this adults-only book include three linked together pieces (Booked, Bookmarked, and Bookended), several vintage tales that havent seen ink in years, and a brand-new previously unpublished novella called The Spanking House. The Table of Contents: Booked The SuperPaddle Brush Bookmarked A Loose Interpretation Bookended Close Shave The Spanking House "Trust Alison Tyler to turn any genre into erotica!" writerly.com "No one else writes as well about good girls who are easily tempted by bad boys." www.goodvibes.com "...hot and honest..." Publishers Weekly "...the world's most prolific and favored erotica author..." Violet Blue, SF Gate
