KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Great conclusionVon S.D. CatDer Anspruch des Authors ist riesig: die Finanzwirtschaft erklren sowie eine stimmige Zusammenfhrung der Ereignisse - wird Antara so enden wie Hittlerdeutschland nach dem 2. Weltkrieg, ist ein andere Ausgang mglich und wenn ja wie knnte dieser aussehen? Daniel Abraham ist dieses Kunststck recht gut gelungen. Spannend, lesenswert und hoffentlich auch irgendwann in deutsch.0 von 0 Kunden fanden die folgende Rezension hilfreich. Stimmiges EndeVon furinkazandieser ausgezeichneten Serie. Wie immer ein intelligenter Plot, mit realistischen Charakteren. Nach all den Bnden ein allerdings wenig spektakulres Ende der Geschichte, aber das kennt man ja von Daniel Abraham. Macht die Story aber wie immer glaubwrdig.

KurzbeschreibungThe last battle draws near in *The Spider's War*, the thrilling final volume in Daniel Abraham's acclaimed *Dagger and Coin* series. Lord Regent Geder Palliako's great war has spilled across the world, nation after nation falling before the ancient priesthood and weapon of dragons. But even as conquest follows conquest, the final victory retreats before him like a mirage. Schism and revolt begin to erode the foundations of the empire, and the great conquest threatens to collapse into a permanent war of all against all. In Carse, with armies on all borders, Cithrin bel Sarcour, Marcus Wester and Clara Kalliam are faced with the impossible task of bringing a lasting peace to the world. Their tools: traitors high in the imperial army, the last survivor of the dragon empire and a financial scheme that is either a revolution or the greatest fraud in the history of the world.
