Von Bertrice Small : The Spitfire (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Spitfire (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Wild and IrresistibleVon AlyssaThis book often does not get the respect it deserves. True, the characters are not particularly likeable. Arabella is spoiled and makes a very stupid choice. Tavis is overbearing and stubborn, but when you put these two together-WOW! Sparks fly from the first moment. The story is quite complex and since it is set in a very

tumultuous period of English history the people you encounter sometimes seem quite harsh. I love this book and read it often, I think it is one of Ms.Small's best books. An open mind is needed to fully enjoy this book and it is definitely NOT for those who are easily shocked or offended. If you are ready for an unforgettable journey with totally unique characters then this book is for you!0 von 0 Kunden fanden die folgende Rezension hilfreich. A weak entry in the field of romance...Von Ein KundeBertrice Small, normally an EXCELLENT writer, has created a novel that, while set in an interesting time period, eventually falls pretty flat. Arabella Grey isn't as meaty as Small's previous characters, and her reasons for doing what she does seem artificial. I simply could not warm up to this character, which for me is RARE in a Small novel. The heroine's mother in particular annoyed me.Stick to Small's Renaissance features (the O'Malley saga, the Leslie saga). MUCH more entertaining...0 von 0 Kunden fanden die folgende Rezension hilfreich. good, but not really good...Von katooas usuall lovely story, touching, cruel, romantic and and and -a typicall bertrice small with deserved 4 stars, but the twists in the middle part are sooo unrealistic - just to get the heroine off of her husband, and than back again... both, neither reliable nor believable! Nay... the last part is 'shmonzes' therefore just 1 star ...all in all only a 2 stars read, but still a (partly) nice read.

KurzbeschreibungThey cast their destinies to the winds of desire. The year is 1483. Tavis Stewart, Earl of Dunmore, abducts beautiful Lady Arabella Grey, cousin of King Richard III, as she is about to marry Sir Jasper Keane. Tavis wants revenge for Jasper's murder of his fiance. Irresistibly, deliciously, Arabella surrenders to her enemy with fierce abandon--knowing that there may be only one way to get what is rightfully hers.KurzbeschreibungThey cast their destinies to the winds of desire.
