**Von Alan Dean Foster : The Spoils of War (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Spoils of War (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 2 Kunden fanden die folgende Rezension hilfreich. Readable. Implausible.Von Steve\_Maller@MAID.COMThis is quite readable. You do find yourself caring what happens next, you do find the characters stay in character - even if alien. There is a flaw in the whole series, I believe. The galaxy is dominated by beings too timid to pick up a gun, yet alone shoot it. This seems contrary to any selection pressures in any environment. Also humans are blood thirsty and enjoy war - all of them. Compared to the suspension

of disbelief needed for the Spell Singer series I guess we can't complain

Kurzbeschreibung After millennia of relentless war, the union of alien races called the Weave was on the verge of winning a decisive victory - thanks to their new allies from Earth, who in a mere handful of centuries had proved masters of combat. But then the birdlike Wais scholar Lalelelang found disturbing evidence that Humans might not adapt so easily to peace - that natural Human aggression would next be turned against the Weave, unless they were once again confined to fight amongst themselves. When her field research revealed the existence of a secret group of powerfully telepathic Humans called the Core, it looked as if Lalelelang would be the first victim in a new war between Humans and their allies. But just as her fate was sealed, a lone Core commander took a chance on her intelligence and compassion, gambling the fate of Humanity on the possibility that together they could both find an alternative to a galaxy-wide bloodbath...

Synopsis The final part of a trilogy which began with "A Call to Arms" and "A False Mirror". After millennia of relentless war, the union of alien races called the Weave is on the verge of a decisive victory - thanks to their new allies from Earth, who in just a few centuries have proved masters of combat.
