Von Joanna Bourne : The Spymaster's Lady: Spymaster 2 (A series of sweeping, passionate historical romance) (The Spymaster Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Spymaster's Lady: Spymaster 2 (A series of sweeping, passionate historical romance) (The Spymaster Series):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. fun readVon CustomerI don't often read anything which has men who are in the process of loosening their shirts on the cover, but I am very glad to have read this one. Annique is a great character, and Grey and Adrian are in the same league. Spies, the Napoleonic era and a great writing style drew me in from the beginning. The main character, the French spy Annique, springs alive from the pages, and draws us into the story. "She was willing to die, of course, but she had not planned to do it so soon, or in such prolonged and uncomfortable fashion, or at the hands of her own countrymen." The story continues just as strongly. LeBlanc holds in his prisons two British spies, Grey and Adrian, and together they manage with a mix of force and ingenuity to break out of their prison. Annique, the "fox cub" is a brilliant character, and Grey and Adrian are in the same league. Their story is full of fun, danger, ingenious twists, which makes this story one I highly recommend. If you enjoyed it, go get her other books, all set in the same world of the Spymasters, but all their own contained story.

KurzbeschreibungJoanna Bourne returns to the French Revolution, pairing espionage and burning romance to create an unforgettable love story. For fans of Stephanie Laurens, Elizabeth Hoyt and Poldark, this is a must-read. She's never met a man she couldn't deceive...until now. She's braved battlefields, played the worldly courtesan, the naive virgin, the refined British lady, even a Gypsy boy. But Annique Villiers, the elusive spy known as the Fox Cub, has finally met the one man she can't outwit...British spymaster Robert Grey must enter France and capture the brilliant, beautiful - and dangerous - Fox Cub and her secrets for England. When the two natural enemies are thrown into prison, they forge an uneasy alliance to break free. But their pact is temporary and betrayal seems inevitable. As the fates of nations hang in the balance, Grey and Annique fight the passion that flares between them - forbidden, impossible and completely irresistible...For more spellbinding Spymasters romance, look for the other titles by Joanna Bourne: The Forbidden Rose, My Lord and Spymaster, The Black Hawk and Rogue Spy. PressestimmenPraise for the novels of Joanna Bourne: "Once in a while, during every reader's literary life, you encounter a book that reminds you why you are a reader. It renews your faith, if faith was lost; it rekindles your interest, if interest waned; and every word, every page, is a wonder.....Joanna Bourne is one of the best authors currently writing. If Ms. Bourne continues writing at such quality, she would deserve to be called one of the greatest -- romance authors ever. And I mean that." -- All About Romance "Books by [Joanna Bourne] are like a box of fine Laduree macarons, not cheap junk food. They should be leisurely savored as the exquisite delicacies they are, for Bourne is a master wordsmith, able to charm, excite or break a reader's heart with the stroke of her pen." --Dear Author PressestimmenPraise for the novels of Joanna Bourne: "Once in a while, during every reader's literary life, you encounter a book that reminds you why you are a reader.
