**Von Alexa Snow, Jane Davitt : The Square Peg (English Edition)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Square Peg (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Shoved me out of my comfort zone and caught me. Von Sunne Jane Davitt is a "Must Read" for me now. I love that her MCs are not stereotype, are not always perfect, do things they are not comfortable and make mistakes. I love how she changed the dynamics between Ben and Shane and made me believe it. There was this moment in the book when I thought "Okay - that's it, that's too much for me." Funny that I don't cringe at a spanked butt but that moment sounded

too much like domestic violence for me....but then...the Jane D'Avitt made it work again. It wasn't that, it was okay in a strange way, it worked for Shane...and making Ben so insecure and not comfortable about what he was doing was the stroke of a genius because Shane didn't only reassure him but me, too. So...at the end I read this book in one day, couldn't stop (household be damned) and felt satisfied in the end. My only question is: "Will there be a book about Vin?"

KurzbeschreibungGenre: BDSM LGBTBenedict, a successful accountant, who's just been dumped for being boring, is surprised and pleased to learn that he's inherited half ownership in a gay bar from his estranged father, seeing it as a chance to get out of his rut. That's until he meets his new partner, a mouthy, disturbingly hot Brit called Shane, and discovers that the bar's in the red and Shane's not interested in renovations that could drive away their regulars. When a late-night confrontation turns into the hottest sex either of them has experienced, they realize there's one way to fit a square peg into a round hole, but are they solving problems or papering over the cracks? As they explore the new dynamic between them, pushing their limits until Ben's shocked at where his desire to dominate Shane takes him, the renovations to the bar begin. They're building something new, something good -- but fear and an unexpected act of violence may tear down what they've created.Publisher's Note: This book contains explicit sexual situations, graphic language, and material that some readers may find objectionable: BDSM elements (includes caning/spanking), D/s, male/male sexual practices.KurzbeschreibungGenre: BDSM LGBTBenedict, a successful accountant, who's just been dumped for being boring, is surprised and pleased to learn that he's inherited half ownership in a gay bar from his estranged father, seeing it as a chance to get out of his rut.
