I have been a Mike Gayle fan for a number of years. Starting off with the "Legendary Girlfriend", which I accidentally came across in German, Mike Gayle always seemed to capture the issues of my life: relationships, moving in, becoming a father etc. I absolutely loved "The To-Do-List" and was surprised how well he did on non-fiction territory. The next books were a bit of a setback, especially "The Importance of being a Bachelor" I did not especially like. Now, though, Mike Gayle is back. I thoroughly enjoyed this book, especially the duplicity of the two stories involved. Ok, the coincidence factor is a bit over the top (hence only 4 stars), but in themselves the stories were both fun to read. Well done, Mr. Gayle. I am still waiting for "Turning forty" - it is less than a year from now...

Ich bin ein großer Fan von Mike Gayle. Bin im Besitz aller Bücher und kann es kaum erwarten, dass das nächste Buch endlich aufliegt. Lese ihn aber grundsätzlich nur auf Englisch, da der Witz in den Übersetzungen leider wie so oft verloren geht.

hatte das Buch schon einmal in Händen in einer Buchhandlung, hatte dann aber etwas anderes gekauft. Kauft man die Buchausgabe, dann kann man entscheiden, von welcher Seite man das Buch zuerst lesen will. Bei der Kindle-Version wird einem diese Entscheidung abgenommen, man startet mit dem Junggesellenabschied (hat mich aber nicht gestört). Die Idee ein Buch so getrennt aufzubauen, finde ich großartig. Man liest die Story über das Junggesellenwochenende und brennt fröhlich darauf, die andere Seite der Geschichte zu hören. Ich möchte hier keine Geschichten vorwegnehmen und Lesern den Spaß verderben. Daher sei nur gesagt: So muss ein Buch sein, unterhaltsam und zu packend, um es wegzulegen. Für mich eines der besten Bücher von Mike Gayle!

Kurzbeschreibung The Stag and Hen Weekend is the story of Phil and Helen, a couple in their thirties about to commit their lives to one another . . . that is of course if they can just manage to get through their respective stag and hen weekends (his: Amsterdam; hers: a country house and day spa in the Peak District) without falling apart. Told in the unique form of two separate stories that have common characters as well as themes and conclusion, The Stag and Hen Weekend can be read from front to back or from back to front putting the reader in the driver's seat as to which story they wish to read first. Feisty, fun and thought provoking. Pressestimmen Gayle at his best Sun A unique story, filled with quirky off-beat characters ... An addictive read from start to finish ... Genius! Closer 'The Brummie author is particularly adept at depicting male and female characters with equal conviction ... He affords his characters patience, and his plots all move along swimmingly on the back of his clear and comfy prose ...
