Von Georgina Brown : The Stallion (Black Lace) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Stallion (Black Lace):

Kundenrezensionen Hilfreichste Kundenrezensionen 1 von 1 Kunden fanden die folgende Rezension hilfreich.
Disappointing Von Ein Kunde My expactations really let me down on this one. The summary sounded just too yummy:
Female showjumper wagers a stallion on bedding her new boss, who is a reknowned voyeur. Unfortunately, Penny is one stupid, uninteresting sexobsessed woman. Real horses are only mentioned in passing and not very realistically.

So you can't expect that from an erotic novel. But at least the characters should be interesting and well-rounded in more than just the body. The best feature of this rather boring book are the sex-scenes. If that's all you're looking for in your reading, enjoy this one.

Kurzbeschreibung Erotica meets bonkbuster in this steamy tale of hunks and horses...The world of showjumping is as steamy as it is competitive. Ambitious young rider Penny Bennett enters into a wager with her oldest rival and friend, Ariadne, to win her thoroughbred stallion, guaranteed to bring Penny money and success. But first she must attain the sponsorship and very personal attention of showjumping's biggest impresario, Alister Beaumont. Beaumont's riding school, however, is not all it seems. There's the weird relationship between Alister and his cigar-smoking sister. And the bizarre clothes they want Penny to wear. But in this atmosphere of unbridled kinkiness, Penny is determined not only to win the wager but to discover the truth about Beaumont's strange hobbies. Pressestimmen "Virgin effectively created the market with its Black Lace brand" (Evening Standard) "Black Lace novels are no-holds-barred stories for grown-up women who like reading about sex and doing it - as outrageously as possible" (Cosmopolitan) "They were the books that took the nation by storm; Black Lace heralded a new era supplying erotic fiction for women by women" (Daily Express) Werbetext Black Lace: the leading erotic imprint for women
