Irritating CharacterVon Caleb HoffmanIn this one the author introduces a character which, though necessary to the story, grates on the nerves. He whines, he complains, and no one likes him. (Including me!!)James' search for the lost Priests of

Morcyth culminates at a place called Ironhold. Here, a ghostly apparition haunts the long deserted remnants of an old mining town. Again, more battles, only now he's facing off with more than just mages and rogues. He faces what the author calls hell hounds. Creatures of fire that are out to take James out. The ending of this book was more than satisfying, though the last fifty pages or so are hard to put down.

Kurzbeschreibung Through the machinations of an old enemy, James is summoned to appear before the Royal Court of Cardri. While in Cardri, Ellinwyrd the Archive Custodian aids him in deciphering the riddle discovered in the city of Saragon. Unable to bear the message himself, Ellinwyrd sends a scroll upon which is written a single word, Ironhold. His quest in search of Ironhold leads him to the mountainous region in northern Madoc. There, he discovers the ruins built by the last priests of Morcyth when they fled annihilation by the followers of Dmon-Li, as well as a secret that's been hidden away for centuries. An old friend resurfaces from a place of darkness and new allies join to aid him on his quest. Growing in aptitude and versatility, James encounters his most challenging situations yet!
