**Von Elena Ferrante : The Story of the Lost Child: Neapolitan Novels, Book Four** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Story of the Lost Child: Neapolitan Novels, Book Four:

Produktbeschreibung Soon to be an HBO series, book four in the New York Times bestselling Neapolitan quartet about two friends in post-war Italy is a rich, intense, and generous-hearted epic by one of today's most beloved and acclaimed writers, Elena Ferrante, one of the great novelists of our time. (Roxana Robinson, The New York Times) Here is the dazzling saga of two women, the brilliant, bookish Elena and the fiery uncontrollable Lila. In this book, lifes great discoveries have been made, its vagaries and losses have been suffered. Through it all, the womens friendship, examined in its every detail over the course of four books, remains the gravitational center of their lives. Both women once fought to escape the neighborhood in which they grew up. Elena married, moved to Florence, started a family, and published several well-received books. But now, she has returned to Naples to be with the man she has always loved. Lila, on the other hand, never succeeded in freeing herself from Naples. She has become a successful entrepreneur, but her success draws her into closer proximity with the nepotism, chauvinism, and criminal violence that infect her neighborhood. Yet somehow this proximity to a world she has always rejected only brings her role as unacknowledged leader of that world into relief. Ferrante is one of the worlds great storytellers. With the Neapolitan quartet she has given her readers an abundant, generous, and masterfully plotted page-turner that is also a stylish work of literary fiction destined to delight readers for many generations to come.
