Von Maurice Druon : The Strangled Queen (The Accursed Kings, Book 2) before purchasing it in order to gage

whether or not it would be worth my time, and all praised The Strangled Queen (The Accursed Kings, Book 2):

Kurzbeschreibung This is the original Game of Thrones. George R.R. Martin. The King is dead. Long live the King. With King Philip IV dead, and the Kingdom left in disarray, as the fatal curse of the Templars plagues the royal house of France. Imprisoned in Chateau Gaillard, Marguerite of Burgundy has fallen into disgrace. Her infidelity has left her estranged husband, Louis X King of France, with neither heir nor wife. The web of scandal, murder and intrigue that once wove itself around the Iron King continues to afflict his descendants, as the destruction of his dynasty continues at the hands of fate. Pressestimmen Iron kings and strangled queens, battles and betrayals, lies and lust, the curse of the Templars, the doom of a great dynasty and all of it (well, most of it) straight from the pages of history, and believe me, the Starks and the Lannisters have nothing on the Capets and Plantagenets. Whether you are a history buff or a fantasy fan, Druon's epic will keep you turning pages. This was the original game of thrones George R.R. Martin Blood-curdling tale of intrigue, murder, corruption and sexual passion The Sunday Times Dramatic and colourful as a Dumas romance but stiffened by historical accuracy and political insight The Sunday Times Barbaric, sensual, teeming with life, based in wide reading and sound scholarship among the best historical novels The Times Literary Supplement "Iron kings and strangled queens, battles and betrayals, lies and lust, the curse of the Templars, the doom of a great dynasty and all of it (well, most of it) straight from the pages of history, and believe me, the Starks and the Lannisters have nothing on the Capets and Plantagenets.
