Von Ann Petry : The Street before purchasing it in order to gage whether or not it would be worth my time, and all praised The Street:

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. An Excellent ReadVon Ein KundeAbout a year ago, I was given this novel as a gift. My busy work and life schedules prohibited me from reading it until a few days ago. Once I picked it up, I could not put it down. What a wonderfully written story. This novel is a must read. I am still devastated and heart broken over the ending but a story doesn't have to have a happy ending in order to be good. Ms. Petry writes such vivid and colorful descriptions. The picture she

paints educates the reader to the reality of life in the 1940's for black people. This one will touch your heart and soul. You will cry and ask yourself repeatedly if Lutie and Bub will ever be able to leave 'The Street'. I strongly recommend giving this one as a gift to someone you know. I know I am. 1 von 1 Kunden fanden die folgende Rezension hilfreich. wonderful, truthfull book Von J. Hansford I have read many books in my life. However, I can truthfully say that this is one of the best book that I have ever read. Brilliance positively seeps through the pages. Ann Petry impeccably described the conciousness of human beings with a flair and vividness of description that is rare. The ending, although tragic, brings the book home with a rage and anger that I'm sure was felt by most African Americans in the 40's, and is unquestionably felt today. Brilliant. 1 von 1 Kunden fanden die folgende Rezension hilfreich. Excellent from every standpoint Von Diane Wright This book has delightful writing with full rich descriptions that appeal to all of the senses. It also is ripe with sociological and psychological truth, all wrapped up in a riveting story. I truly could not put it down, and it stayed with me after I finished it. The racial and gender issues that are addressed may have been set in the mid 1940's, but they are just as valid for our concern now in 2000.

Kurzbeschreibung THE STREET tells the poignant, often heartbreaking story of Lutie Johnson, a young black woman, and her spirited struggle to raise her son amid the violence, poverty, and racial dissonance of Harlem in the late 1940s. Originally published in 1946 and hailed by critics as a masterwork, The Street was Ann Petry's first novel, a beloved bestseller with more than a million copies in print. Its haunting tale still resonates today.
