Von Tim Powers : The Stress of Her Regard before purchasing it in order to gage whether or not it would be worth my time, and all praised The Stress of Her Regard:

KundenrezensionenHilfreichste Kundenrezensionen0 von 1 Kunden fanden die folgende Rezension hilfreich. Zher Kaugummi in BuchformVon Moyas BuchgewimmelWieder so enttuschender Cover-Kauf. An dem Buch habe ich nun ein paar Monate geknabbert und ich wollte es unbedingt gut finden, weil ich mal wieder eine ordentliche Vampirgeschichte auf Erwachsenenniveau lesen wollte. Leider ist mir die Erzhlweise einfach zu angestaubt und die

Grundidee, die für mich anfangs sehr spannend klang, endet auch nach 200 Seiten noch nicht. Die Handlung dehnt sich wie alter Kaugummi im Sommer und ist gleichzeitig irgendwie sprunghaft bei den Szenen. Ich würde sagen wem Jonathan Strange Mr Norrell gefallen hat, dem wird wohl auch dieses Buch zusagen, für mich ist es leider nichts. Von 0 Kunden fanden die folgende Rezension hilfreich. Vintage Powers but not his best. Von D. Elliott Powers doing what he does best here - taking historical events and weaving his story with fantastical elements around it. I think he does this better than anyone else in his field, and this novel is no exception. Having said that I found it a bit tough going in places and not as fluid as some other works of his such as "The Anubis Gates" or "Last Call". Plenty of enjoyable moments for Powers fans but not a book I would recommend if you have not read any of his books yet.

Kurzbeschreibung World Fantasy Award Winner Michael Crawford is forced to flee when discovers his bride brutally murdered in their wedding bed. Yet it is not the revengeful townspeople he fears but the deadly embrace of the malignant spirit that is claiming him as her bridegroom. Crawford will not travel alone; soon he is aided by his fellow victims, the greatest poets of his day Byron, Keats, and Shelley. Together they embark upon a desperate journey, crisscrossing Europe and battling the vampiric fiend who seeks her ultimate pleasure in their ravaged bodies and imperiled souls. Telling a secret history of passion and terror, Tim Powers (The Anubis Gates, Declare, Three Days to Never) masterfully recasts the tragic lives of the Romantics into a uniquely frightening tale. Back in print for the first time since 1994, this newly revised edition of The Stress of Her Regard will thrill both Powers fans and newcomers to this gripping Gothic tour de force.
