I'm in love!OMG I could kick my ass I haven't started reading this series earlier! Fantastic story, fantastic writing, great characters! And a

little twist on top! The first book is in Abby's POV. She's a 32 years old librarian whose mother got into a bad situation over credit card debt. That's when she first had to deal with Nathaniel West. Since then, she can't stop thinking about him. When she learns he's a dominant and her fantasies got more than vivid, she makes a decision - to become his submissive. Nathaniel West is the CEO of his own company and a dominant. He has a rule - never engage with untrained submissives. He's not having the time nor the patience for an untrained one. But when Abigail King wants to submit to him and him only and specially requests him, he makes an exception. Nathaniel starts off easy with Abby who says she's in, but does she really know what she signed for? The more time, only weekends, they spent together, the closer they get. They go to family functions and the Super Bowl. When Abby is involved in a car crash, it's Nathaniel who makes sure she heals and is taken care for. Without her collar Abby feels naked. Without Abby Nathaniel feels lost. When a snowstorm hits them and they have to spend more than a weekend together, things get serious. Both are too careful to admit they fell for each other. Nathaniel still has this wall around him, not opening up that much to Abby. After one very intense night, Nathaniel denies any meaning and hurts Abby badly so she saves out of their agreement. This ends the beginning of opening up, admitting mistakes and revealing of the past. In that we find out something unexpected about them both. Nathaniel and Abby take these events to start over. The Submissive is fantastically written, with great characters, lovely side characters and leaves you want so much more to read about them! 0 von 0 Kunden fanden die folgende Rezension hilfreich. Not a cheap copy of 50 Shades Von Kindle-Kunde I will admit that the story and a trilogy is similar.... but still it is a separate story. It is "not the same". And it is also not a real trilogy, cause the second part is written/read from the DOM's point of view. Same part as the first, opposite side. I enjoyed very much reading this book and felt very well entertained. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Enjoyed the second book of the trilogy better! Von Sole I like this book, but many things were a bit off for me about this relationship, which actually got very interesting with the second book as I was able to understand many things! Lovely read anyway.

Kurzbeschreibung For fans of E. L. James, Sylvia Day and Beth Kery. Before there was the fan fiction that became Fifty Shades of Grey, there was The Submissive, Tara Sue Me's seductive and scandalous series that has enthralled millions and inspired a genre... Abby King has a secret fantasy. New York knows Nathaniel West as the brilliant and handsome CEO of West Industries, but Abby knows he's more: a sexy and skilled dominant that is looking for a new submissive. Yearning to experience a world of pleasure beyond her simple life as a librarian, Abby offers herself to Nathaniel, to fulfill her most hidden desires. After only one weekend with the Master, Abby knows she needs more, and fully submits to Nathaniel's terms. But despite the pleasure he takes in Abby's willing spirit, the Nathaniel hidden behind the rules remains cold and distant. As Abby falls deeper into his tantalizing world of power and passion, she fears that Nathaniel's heart may be beyond her reach - and that her own might be beyond saving... Before there was the fan fiction that became Fifty Shades of Grey, there was The Submissive... Indulge in the series that started it all: The Submissive, The Dominant, The Training, The Chalet, The Enticement, The Collar, The Exhibitionist and The Master. Pressestimmen "The sex scenes are smoldering hot... a must read if you loved 50 Shades of Grey. The Romance For those Fifty Shades fans pining for a little more spice on their e-reader the Guardian recommends Tara Sue Me's Submissive Trilogy, starring handsome CEO Nathaniel West, a man on the prowl for a new submissive, and the librarian Abby, who is yearning for something more. Los Angeles Times Well written and certainly entertaining. Dear Author This book is going to make you say Fifty What of What? [Me] is so talented and captivating. Southern Fiction Werbetext The Submissive is the original BDSM erotic romance phenomenon that inspired an entire genre.
