Your Energy Von Ingrid Stephanie Jordan
Title: The Succubus Awakens Series: Cravings
Destination: Book 1
Author: Carley Rose
Reviewer: Ingrid Stephanie Jordan
Genre: #Paranormal
My Score: 4
I have to say I wasn't expecting this, as Carley Rose is a new author for me, I didn't know what to expect. Although it's very short 37 pages it still packed a potent read. If you are not into sex play this is not the book for you. However I am and I loved it, the only reason it received 4 star is because it's short and a short review so I don't give anything away. Michelle Farth aka Elle was dreaming an erotic dream, this dream is the dream that changed her life forever. Take the journey with Elle, who is adopted and knows nothing of her parentage, learn what it means to be a succubus. Gregor is a werewolf from the Tiblian Pack the council sent him to teach. I was gifted this ARC for an honest and truthful review.

Kurzbeschreibung Don't forget to check out the Bundle that contains parts 1-3 of Cravings along with a bonus story in the back! -- <http://amzn.to/1qPBZh1>
'Cravings' is a mature 18+ erotic story sure to have you wishing for your own succubus powers of control. Elle, or Michelle Farth, has to control her new and unrelenting sexual appetite while trying to solve the mystery of her parents, the only ones who can really explain what she truly is before she loses what little control she has and allows the demon inside of her to take over. 'The Succubus Awakens' is the first in the 'Cravings' series, following Elle after she Awakens and goes from being a normal gawky teenager into the model of good looks overnight, somehow drawing people in with a power that feeds off of their sexual gratification. There's a force inside of her that needs to feed, to take the energy that the people around her have no problem giving to her. It's temptation in it's darkest form. Can she control herself when faced with a hot incubus and werewolf that try to challenge her? Or will she allow her inner demon to do with them whatever it pleases?
