Oh so sweet!Von PerfectlyImperfectI am still on a Johnny and Edie high - what a wonderful love story! "The Suit" had me smiling, crying and having a stomach-ache more than once. Both main characters are so much fun - I enjoyed every

minute of reading this book and I cannot wait to read Nikki and Parker's story soon ;)

A mind-numbing summer working on a horse farm awaits him, and hes dreading every damn minute of it. Edie James is mourning the loss of her grandfather when John Wilson shows up in his perfectly tailored suit, reeking sexiness and city eleganceeverything shes not. Their meeting is less than pleasant as they both distastefully size up one another. She thinks hes arrogant and a white-collar yuppie. He thinks shes a simple, goody two-shoes farm girl. Edies grandfather made a new will before he passed leaving stipulations in order for Edie to inherit the family farm. And as if that wasnt enough of a challenge, the suit has to work on the farm with her for three months to settle a debt he owed to her grandfather. And hes moving in with her.With a rocky start, the two seemingly polar opposites call a truce and attempt to be friends. As their unexpected friendship blooms, an attraction develops and both realize their first impression of each other is far from the truth. Now this once dreaded summer is set to be the hottest and most unforgettable they've ever had.

ber den Autor und weitere MitwirkendeB N Toler lives in Virginia with her three rowdy children and gearhead husband. When she's not reading and writing, she's thinking about reading and writing. Before she became a self-proclaimed author, she worked as a real estate agent and as an orthodontic technician. ****She will notice your teeth before your eyes or hair or anything.**** She enjoys shopping (way too much) and is on a first name basis with several employees at the local Target in her town. She loves music,(bluegrass, country, 80's, actually she loves most music ~her favorite song is American Pie by Don McLean and she worships anything that is Elvis and Johnny Cash and Eric Church) dancing, (even though she sucks at it)reading, writing, eating (too much) sleeping late, (which she rarely gets to do) and laughing. If you can make her laugh, she will love you forever.
