Von Marcia Willett : The Summer House before purchasing it in order to gage whether or not it would be worth my time, and all praised The Summer House:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich.
Spannendes BuchVon adiDas Buch habe ich mit viel Spannung gelesen, obwohl die Auflsung bald schon ziemlich

klar war. Es ist gut geschrieben und ich kann es unbedingt weiter empfehlen!

KurzbeschreibungIn the small inlaid wooden box, Matt's mother had kept all his childhood memories. Amongst them are many photos of Matt as a child, growing up. But something about the photos has always puzzled Matt - was that really him? Why did he not remember those clothes? The toys? And where, in the photos, was his sister Imogen? He has a strange unresolved feeling that there is something missing in his life. Imogen is living with her husband, a country vet, and their gorgeous baby in a rented cottage. Since her childhood she has loved the Summer House, a charming folly in the grounds of her oldest friends' beautiful and ancient house on Exmoor, and now they have the chance of buying. But her marriage is threatened when her husband refuses to live so far from his practice. Meanwhile, Matt begins to discover the strange and tragic secret which has affected his whole life . . .

PressestimmenLike Rosamunde Pilcher and Maeve Binchy, Willett creates such fully dimensional characters that readers feel as if they should phone or e-mail them to keep in touch. Rocky Mountain News on *A Week in Winter*Tender and moving, Willet's tale expertly weaves a family's past and present together to illustrate the strength of familial bonds. A memorable and emotional read to be savored. RT Books on *The Children's Hour*Readers will enjoy the heartwarming ending, vibrant characters, and the excellent depiction of the English countryside. Booklist (starred review) on *A Summer in the Country*Thoroughly engrossing, with richly drawn characters, a mysterious locale, and a beautifully crafted plot. The Sun-Sentinel (Fort Lauderdale, Florida) on *A Week in Winter*A domestic novel of quiet yearning, haunting memories and onerous guilt. The friendships at the novel's heart are believable and warming. Publishers Weekly on *The Way We Were*Wonderfully, fully-developed protagonists...fans will be pleased with this strong family drama. Midwest Book on *The Birdcage*PressestimmenPraise for Marcia WillettLike Rosamunde Pilcher and Maeve Binchy, Willett creates such fully dimensional characters that readers feel as if they should phone or e-mail them to keep in touch.---Rocky Mountain News on *A Week in Winter*Tender and moving, Willet's tale expertly weaves a family's past and present together to illustrate the strength of familial bonds.
