Von W. Somerset Maugham : The Summing Up (Vintage Classics) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Summing Up (Vintage Classics):

Kurzbeschreibung Autobiographical without being an autobiography, confessional without disclosing his private self, The Summing Up, written when Maugham was sixty-four, is an inimitable expression of a personal credo. It is not only a classic avowal of a professional author's ideas about style, literature, art, drama and philosophy, but also an illuminating insight into this great writer's craft. Pressestimmen The modern writer who has influenced me the most. George Orwell Werbetext A rare glimpse into the life and mind of one of the most enigmatic of 20th century authors
