An exciting excursion into a less known cultureVon Martl BoEntertaining; fast reading; excitingthis are the three statement that I can make. The Dominic Grey character is not realy new but so what. I enjoyed the plot in Africa and the information about the african roots of voodoo cult. Some of the action is rather cruel but never the less it seems to be authentic. I like the book and I will read the sequels.2 von 2 Kunden fanden die folgende Rezension hilfreich.
