Von Patricia Ryan, P.B. Ryan : The Sun and the Moon (Lords of Conquest) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Sun and the Moon (Lords of Conquest) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Intriguing, Delightful, Suspense and Finally LoveVon Ein KundeHugh the Warrior/Cynic and Phillipa, the

academic,are worlds apart in their thinking and philosophies, but are thrown together in an effort to thwart the plans of a devious cleric and even more devious queen, Eleanor of Aquitaine, to overthrow King Henry.Hugh and Phillipa join forces to discover the plot against the king and attempt to abort it. Believing that Phillipa has freely given her favors to other men, the plan is for Phillipa to seduce the cleric to obtain the required information; however, Hugh soon discovers that Phillipa is a virgin and thus the intrigue begins. Meanwhile, being thrown together has brought out feelings in the couple that they did not know existed so this is another problem with which they have to deal.The story held my interest where I reached the point I could not put the book down. I highly recommend this book. Patricia Ryan has done it again.0 von 0 Kunden fanden die folgende Rezension hilfreich. Big fan of Patricia Ryan.....unfortunately,not her best.Von Ein KundeThe characters are introduced and an interesting storyline is set up in Ms. Ryan's usual elegant style. But halfway thru the book, the plot becomes predictable and the secondary characters are unbelievably cartoonish. I kept picturing the villainess as Cruella de Ville! I'm not offended by the more "erotic" romances, but found the SM scenes here somewhat distasteful/phony? The mystery would have been a good twist except you can see it coming a hundred pages from the end. As usual, the period detail is original and very well done, fitting in seamlessly with the storyline...one of the reasons Patricia Ryan is right up there with Kinsale and Judy Ceuvas on my list. I will continue to collect her books; I just wish they'd gone to spy on a different cast of characters in this one.

KurzbeschreibungThe Sun: Hugh of Wexford, King Henry's most trusted spy, enjoys his wine, his women, and most of all, his freedom. Scarred by a brutal upbringing, Hugh makes his own way in the world, unhindered by ties of any kindincluding those of love.The Moon: Oxford scholar Phillipa de Paris is learned and enlightened, but utterly unschooled in the ways of the worldespecially the lascivious intrigue she encounters when Hugh recruits her to help ensnare an enemy of the crown.The Mission: To expose the schemes of dissolute cleric Aldous Ewing, who has long carried a torch for Phillipa, the rough-and-tumble warrior and the innocent intellectual pose as jaded husband and wife. Can Phillipa finesse Ewing into sharing his secrets without sharing his bed, as the mission calls for? Or will Hugh and Phillipa's deceit be revealed and their lives endangered by the irresistible passion flaring between them?Inspired by Hitchcock's Notorious, The Sun and the Moon won the Romantic Times ers Choice Award. Originally published by NAL.Patricia Ryan holds readers in her grasp with mystery and suspense worthy of a Hitchcock film. Once you start this nonstop read you wont go to bed until youve turned the last page. Kudos to Ms. Ryan for bringing such a satisfying tale to life and pushing the boundaries of the genre once more. Romantic TimesNever one to disappoint, Ms. Ryan has once again delivered her readers a novel that packs a punch. Just as we think we have the ending all figured out, she hits us with an incredible twist. The Literary TimesFilled with mystery, suspense, intrigue and very passionate romance, this is an excellent example of Ryan's superb writing skills...I absolutely loved this story! Tanzey Cutter, The Old Book Barn GazetteThe Sun and the Moon is a real page turner. I really wish I hadnt started it so late at night. It kept me up way past my bedtime and there is no stronger recommendation than that. Jean Mason, The Romance ReaderA heroine like Phillipa is a rare gem, indeed, and is such a delight to read and get to know...Watching these two accept their love for one another is a treat...I highly recommend The Sun and the Moon and hope you enjoy it as much as I did. Claudia S. Terrones, All About RomanceThe Sun and the Moon is an enjoyable medieval romance starring two enchanting characters. Phillipa and the mentally and physically scarred Hugh make a wonderful couple. The story line is fun especially when Hugh turns jealous as Phillipa flirts with the odious Aldous to get him to reveal his plot. Sub-genre fans know Patricia Ryan as a household name and her newest tale will elate her large horde of readers. Harriet KlausnerNow this is a great medieval romance. It has a great mystery that, for once, doesnt overshadow the romance. And I do love both hero and heroine. Keeper? Yes! Everything RomanticAbout the Author:Patricia Ryan is the USA Today bestselling author of more than two dozen romances and mysteries, including the #1 national bestseller Still Life With Murder. Her novels have garnered rave reviews and been published in over twenty countries. A RITA winner (for Silken Threads) and four-time nominee, she is also the recipient of two Romantic Times Awards and a Mary Higgins Clark Award nomination for the second book of her historical mystery series featuring Boston governess Nell Sweeney, which she wrote under the name P.B. Ryan.Subscribe to Pat's email newsletter by visiting patricia-ryan.com. Most issues features free and deeply discounted ebooks by Patricia and other bestselling authors.
