**Von Wilbur Smith : The Sunbird (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Sunbird (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen5 von 5 Kunden fanden die folgende Rezension hilfreich. Great story, awfully writtenVon Ein KundeThis book contains an excellent story based on a very clever idea (the parallel lives). However, this book reads like a cheap romance novel at times, one of the lead characters is extremely handsome and brave and strong and .... Another is an extremely beautiful woman, the other a phisically deformed

genius. Some of the dialogue made me wince - the constant references to the Lo's handsome features, the constant references to doctor Kazin's intelligence. I will definitely not read any other of Wilbur Smith's books! 2 von 2 Kunden fanden die folgende Rezension hilfreich. This is Smith's best book Von Ein Kunde This is my favorite Wilbur Smith book, bar none. The story is enchanting, the characters wholly believable, their struggles utterly convincing, and Smith's signature gift for drama and subtle humor interlaces each page. I finished the book reluctantly, hoping that somewhere down the line Smith would provide us perhaps with the early adventures of my new friend, Huy Ben-Amon 0 von 0 Kunden fanden die folgende Rezension hilfreich. The greatest story I have ever read in my life Von Ein Kunde I have read thousands upon thousands of books in my lifetime, but never have I read such a magnificent story as this in all of my 36 years. I first picked up this book at the age of 19, and have read it probably half a dozen more times since then. It is the only book that I have read more than once. Probably geared toward males in general, and not for the weak of heart or stomach. If you don't enjoy this book, you're probably either partially illiterate, lacking honor, courage or some other desirable personality trait. The Croatian reviewer below probably read a bad translation of the book, or has been mentally affected by the recent ethnic conflicts in his country.

Kurzbeschreibung I scrambled onto my knees, pushing the automatic rifle forward to cover one flank. In that instant they opened on us. The air around me was torn by the sound of a thousand bull whips, while the gunfire sounded like a stick dragged swiftly across a corrugated-iron fence.' A hazy aerial photograph and a sinister curse are the only clues Dr Ben Kazin has before he stumbles on the archaeological discovery of a lifetime. Beneath the red cliffs of Botswana land a magnificent unknown civilization has remained buried for millennia. But the magic of uncovering a lost culture is harshly interrupted by the violence of terrorists, love, intrigue and the breathtaking secrets of centuries in Wilbur Smith's heart-stopping adventure, *The Sunbird*. Pressestimmen "When it comes to historical fiction, Smith is without rival." -- "Tulsa World" "Each time I read a new Wilbur Smith I say it is the best book I have ever read--until the next one." -- "Times Record News" (Wichita Falls, TX) Pressestimmen "When it comes to historical fiction, Smith is without rival." -- "Tulsa World" "Each time I read a new Wilbur Smith I say it is the best book I have ever read--until the next one." -- "Times Record News (Wichita Falls, TX)
