New twist to romance Von amy This book was about a woman who was wrongly accused of murder and sentenced to to serve the rest of her life with the husband of the wife which she was supposed to have murdered, and if the two were to fall in love she would be sentenced to death. Well I know you can see where the story leads but the way they went through the hard ships of tring to get along. Meagan knowing she was innocent and Josh wishing and hoping she wasn't guilty. Trouble from the start, love in the end. Truly a must read. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Imaginative Story Line, but a little prdictable Von Hannah M. Hurey I really enjoyed this story. I mean we all know how it is going to end, but the way in which they are forced to deal with each other is very unique. I have not

read this particular plot before. It doesn't take a rocket scientist to figure out how it ends, but a good easy read.

KurzbeschreibungMeagan Reilly Was Innocent!Yet she was condemned to a life of servitude for a crime she did not commit. And though many would call her punishment light, they could not imagine the suffering of each day spent with a man whose forbidden touch would bring the very devil to pay.Josh Daniels had no peace. Although the law had found Meagan Reilly guilty of murdering his wife, he could not believe that justice had been done. For the kind and courageous woman didn't seem capable of taking anyone's life, only of miraculously turning his around for the better!KurzbeschreibungMeagan Reilly Was Innocent!Yet she was condemned to a life of servitude for a crime she did not commit.
